Row 985 @charles.greer@ucr.edu It looks like this is from the Department of Transportation, not EPA. Would you mind confirming?
You are correct, Agnes.

Row 1110 We removed the information for prime sponsor for row 6 as it looks like UC ANR may have been the prime.
Correct, thank you for catching that.

Row 1145 @andy.perkins@ucop.edu yes, we are updating our logic and populating the values today and tomorrow.
@rtdammann@ucsd.edu Thanks, Ross! Really appreciate your help!

Row 1145 @rtdammann@ucsd.edu @edonate@ucsd.edu @gurrutia@ucsd.edu Can I ask that you take another look at the highlighted cells in the "Termination / Suspended Action" column and update those to indicate what the original agency action was? That is, what was rescinded? Also, if you know of any of the reasons for termination/suspension/etc. that were left blank (also highlighted), that'll be helpful to have as well. Though, knowing the information in my comment above is higher priority. Thank you again!

Row 1274 @rtdammann@ucsd.edu this award - we were notified by the PTE that this award will suspended or terminated however no official notice has been received

Row 1428 Is there a federal agency providing any funding for this one?
@dmehlen@ucdavis.edu @ndtardiff@ucdavis.edu I'm not sure whether Smartsheet notifies you directly of comments unless you're tagged in them. Just flagging Agnes' comment if you didn't receive anything. Thank you!
It's USDA. I updated the Main Fed Agency Name Column
Thank you, Nicole!!

Row 1486 @dmehlen@ucdavis.edu Hi Denise -- thanks for adding the new suspension/termination information. I'm assuming the awards listed in blue may still be in process but if you're able to fill in the termination/reinstatement status information at your next convenience, that'd I will finish these last few lines tonight. I apologize for the delay!!
Thank you Denise! I know you've got a lot going on. We appreciate you and all your work, truly!

Row 1542 @andy.perkins@ucop.edu I made the updates, please review and let me know. Thank you, I appreciate it!
@masum.rahman@ucsf.edu thanks so much, Masum! Those look correct to me. Really appreciate your help on this--I know it's a hefty project with a lot of moving parts.

Row 1542 Thank you, @andy.perkins@ucop.edu for your review and feedback. I will repopulate columns with the updated data for Sponsor Code and Originator Sponsor Code. Thank you.

Row 1542 @masum.rahman@ucsf.edu since I believe you added or were the last to edit UCSF's campus information, can I ask that you re-check the information in the Sponsor Code and Originator Sponsor Code fields in your campus spreadsheet? These should all be four-digit, alp

Row 1566 Hi Masum--my apologies, I don't recall getting any notification about your message earlier in August. I know Deborah Motton sent out some additional information earlier in the month that might have added some clarity. Did you still have any questions? Happy to set up sor

Row 1566 @andy.perkins@ucop.edu Sorry for the delayed response. Our team is looking into these 5 awards and we will update you soon.
@masum.rahman@ucsf.edu thanks, Masum! Appreciate your checking into these. I know some state awards have been terminated at least in part due to the state budget situation, but I'm not entirely sure whether there is a tie-in with federal funding. Since this exercise is @andy.perkins@ucop.edu Thank you, Andy! We appreciate your guidance on this matter. We will exclude the State Awards in our next update.Regarding the next update, we had a couple questions:1. Do I just copy-paste over the existing Rows in the SmartSheet with the ne @masum.rahman@ucsf.edu Hi Masum, re: #1 - I know we've made some modifications to UCSF's data set. I think the preference would be to not override any of that in bulk. For example, I believe UCSF's records showed the "Total Paid" column as a negative number, which @andy.perkins@ucop.edu Good morning, Andy! I hope you are doing well.I just wanted to check in to see if you received the guidance from your team how to upload data. I have not uploaded any data since the above comment you posted.Thank you, Masum.

Row 1566 @masum.rahman@ucsf.edu is there federal funding associated with this award? Thank you!

Row 1622 @masum.rahman@ucsf.edu is there a federal prime associated with this award? Thanks!

Row 1627 @masum.rahman@ucsf.edu similar question for this one--is there a federal prime?

Row 1722 @masum.rahman@ucsf.edu I think this is the last one for now, but if you could confirm if there's a federal prime on this award as well, that'd be great. Thanks again!
